

<b>UCAS course name and code</b>	<b>CAH3 code (for your ATAS application)</b>
(F303) MSci Physics	CAH07-01-01
(F305) MSci Physics with Industrial Experience	CAH07-01-01
(F307) MSci Physics with International Experience	CAH07-01-01
(F304) MSci Physics with Study Abroad in a Modern Language	CAH07-01-01
(F3FM) MSci Physics with Astrophysics	CAH07-01-01
(F331) MSci Physics with Computing	CAH07-01-01
(F334) MSci Physics with Computing with Industrial Experience	CAH07-01-01
(F306) MSci Physics with Innovation	CAH07-01-01
(FV35) MSci Physics and Philosophy	CAH07-01-01
(GFC3) MSci Mathematics and Physics	CAH07-01-01
(F322) MSci Chemical Physics	CAH07-01-01
(F323) MSci Chemical Physics with Industrial Experience	CAH07-01-01
(F340) MSci Theoretical Physics	CAH07-01-01
(H410) MEng Aerospace Engineering	CAH10-01-04
†MEng Aerospace Engineering with Study Abroad	CAH10-01-04
(H401) MEng Aerospace Engineering with Study Abroad in a Modern Language	CAH10-01-04
†MEng Aerospace Engineering with a Year in Industry	CAH10-01-04
(H300) MEng Mechanical Engineering	CAH10-01-02
†MEng Mechanical Engineering with Study Abroad	CAH10-01-02
†MEng Mechanical Engineering with Study Abroad in a Modern Language	CAH10-01-02
†MEng Mechanical Engineering with a Year in Industry	CAH10-01-02
(H360) MEng Mechanical and Electrical Engineering	CAH10-01-02
†MEng Mechanical and Electrical Engineering with a Year in Industry	CAH10-01-02
